SIR,

In continuation of my letter No. 481/21-17 dated 18th February 1919, making certain proposals for providing quarters temporarily to the Sub-Asst Surgeon of the Bangalore Central Jail, I have the honor to state as under:-

2. The present Superintendent of the Jail brings to my notic that it will be very inconvenient for two families to live in the same place or compound and particularly in the case of a family ob serving gosha, in case the quarters of the Sub Asst Surgeon are sh ed to one of the out houses of the "Barne Park", as already propos I enclose herein a copy of letter No. 544/F4 dated 12th May 1919 r ceived from that officer on the subject.

3. In this connection, I suggest that a cross wall to the height of 6 or 7 feet may be put up with a gateway facing the Shesh dri road. Thereby, the outhouse which has been proposed to be converted into quarters for the Sub Asst Surgeon, will be thoroughly screened from the Superintendent's quarters.

I have the honor to state that I learn that it is under contemplation to shift the quarters of the Sub Asst Surgeon attached to the Jail to one of the outhouses of "Barne Park". If it is so I beg to bring ~~to my notice~~ to your notice that it will be very inconvenient for two families to live in the same place and particularly the inconvenience will be very great in the case of a family observing Gosha, as all privacy will be cut off.

2. I request therefore that separate quarters may be constructed for the Sub-Asst. Surgeon in the vacant ground which I learn was sold to Mr. Chambers and taken back by Government, and which is quite close to the Jail, or in a plot of ground near the Deputy Jailor's quarters at the southern gate of the Jail.

SIR,

In reply to your letter No.G.223/Pris. 51-18-9 dated 4th July 1919 asking me to forward separate proposals in the matter of providing quarters to the Sub:Assistant Surgeon of the Bangalore Central Jail temporarily, as the present Superintendent does not seem to be willing to have an outhouse converted into the same, I have the honor to State as follows:-

2. The only suitable place for having the Sub:Assistant Surgeon's quarters is in front of the Jail. One of the outhouses stables in the compound of the Superintendent's quarters, which is situated directly opposite the front gate of the Jail, can conveniently be converted into quarters with a gate way facing Sheshadri Road. As I have already suggested in para 3 of my letter No. 1122/21-17 dated 17th May 1919, these newly converted quarters can thoroughly be screened from the Superintendent's quarters by having a cross wall built to the east of the former.
